

# SMART PEN

Jupiter Creations

## EDUTAB SMART PEN INSTRUCTIONS (Ages 3+)

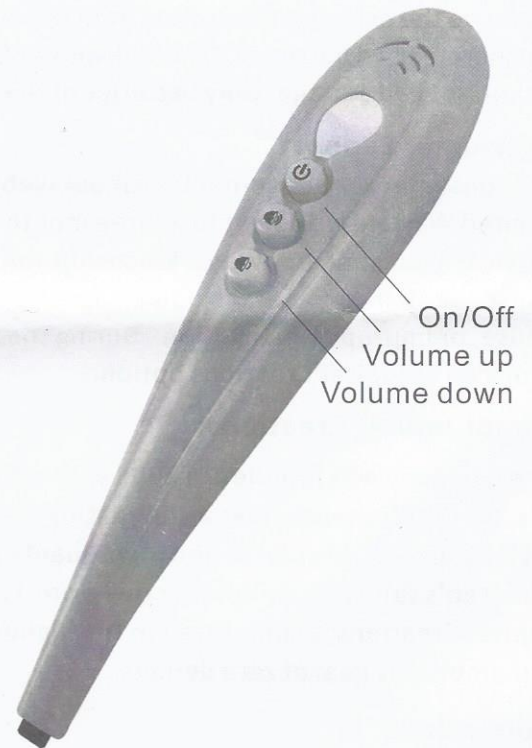

Item # 12306

An Interactive game of matching, counting, and spelling with visual and auditory feedback to keep children stimulated and engaged in the learning process.

Press the Smart Pen on the dot of a Lesson card and find out if your answer is correct.

### What's included:

- Smart Pen
- 50 Lesson cards with 2 questions

## Getting Started

### Battery Installation

- 1) Push down the screw on the back of the Smart Pen using a screwdriver and turn counterclockwise until the screw comes out.
- 2) Remove the battery cover.
- 3) Insert 2 new AAA alkaline batteries as shown in the diagram on the battery cover (+/-).
- 4) Replace battery cover.
- 5) Tighten the screw by turning clockwise using a screwdriver.

### Get Started with Smart Pen

- 1) Press the power button to begin. A short tune will play when the Smart Pen turns on and off.
- 2) To Begin pick a Lesson card and read the question. Look at the card and find the correct answer.
- 3) Press the tip of the Smart Pen to the black dot next to the answer you think is correct.
- 4) If you picked the correct answer, the Smart Pen will shine green and applaud. If you picked the wrong answer the Smart Pen will shine red and jingle.
- 5) Once you are done with the question, flip the lesson card over for the next one.
- 6) Learn about numbers, letters, animals, observational skills, communication, spelling, food, culture, jobs, nature, and time, with over 100 lessons.
- 7) To adjust the level of the volume, press the sound increase button, or the sound decrease button. There are three different volume settings.

### Instructions for Care.

Smart Pen is not intended for anyone below the age of 3.

Smart Pen is for indoor or dry environment play only.

Keep food and beverages away from product. Do not spill liquid of any kind on this product as it may render it inoperative. Clean with a slightly damp cloth (cold water). Do not use soap, detergent, or other chemicals. Never submerge unit in water. Allow to dry before reuse. Avoid prolonged exposure to extreme temperatures and direct sunlight. Avoid dropping the unit. Never try to dismantle it.

## **Battery Safety**

Batteries are small objects. They must be replaced by an adult. Replace Batteries after they have been exhausted. Pay attention to polarity when replacing batteries (+/-) Do not charge batteries which are not rechargeable. Do not mix the used batteries and new batteries or batteries of different types.

Remove the exhausted batteries from the Smart Pen. Dispose of exhausted batteries properly. Do not incinerate used batteries. Do not dispose of batteries in a fire as they might explode or leak. Remove Batteries for prolonged storage. Only batteries of the same or equivalent type as recommended are to be used.
