

No batteries required! You can use yogurt and fruit combined, or just make frozen fruit or frozen yogurt. Either way, you will have fun and make a delightful and healthy treat that your family and friends are sure to love.

## Preparations before use:

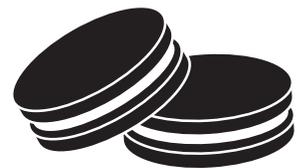

### Yogurt:

1. Choose your favorite non-fat or low-fat yogurt.
2. Pour it into the molds.
3. Freeze it for 2-3 hours.

### Fruit:

4. Choose your favorite fruits.
5. Wash and peel all fruit before using.
6. Make sure to cut fruit into approximately 1" (3-4 cm) pieces before freezing.
7. Freeze fruit for 2-3 hours.

### Cookies (Optional):

8. Cookie crumbles for a different taste sensation.

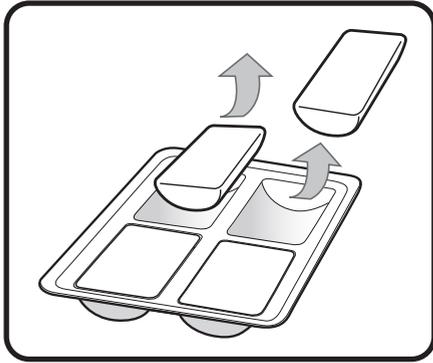

**NOTE:** If yogurt and fruits fully freeze, it will be harder to turn the handle. Soft serve is recommended. If yogurt and fruits are completely frozen, allow to thaw for a few minutes.
